Meeting Minutes

The Parents Association held an event where parents could meet Acting Head of School, Dr. William Shergalis. Parents had the opportunity to hear from Dr. Shergalis and to ask questions.

Dr. Shergalis addressed the parents in attendance. He expressed that he found the school in good shape, working well, and his plan was to try to fulfill and carryout what Mr. Wiggins started. He plans to move along and continue the school year in the same fashion. He wished to convey that he wishes for all students to have a good experience at MMI. While the change in Head of School mid-way through the year can be unsettling, everything internally is the same. He especially hopes the senior class has a fantastic ending semester. He expressed that he is very familiar with things, as from being here prior. He is confident that there will be no change in services for parents or students. After those remarks, Dr. Shergalis opened the floor to questions.
