Eating and art combine for this fun-filled camp sure to bring out your artistic talent and tickle your taste buds! Join Mrs. Oakum on a culinary journey that not only looks good but you can eat it too. Bring your love of art and food while you learn about artists and how to transfer their style to edible art!

## Week of July 19

### RE/CO Robot

**Time:** 9 am - 12 pm

**Ages:** 7 - 12

**Class Size:** Minimum 10

**Instructor:** Minds in Motion, Inc.

**Price:** \$150

Build and take home your very own RE/CO Robot! RE/CO robot is a mechanical off-roading adventure! It comes equipped with an infrared sensor and artificial intelligence. Its ability to be controlled wirelessly, and its tank-like tracks, make it perfect for rugged conditions! With the wireless remote control added, RE/CO Robot can access new play modes like storytelling, singing, dancing, and even programming. Students can enjoy guiding it over all sorts of terrain or allow the friendly robot to lead the way, using its infrared sensor to find a clear path in patrol mode. For parents who look to get the most out of their children's time, RE/CO Robot is a great all-in-one package! It combines assembling with 106 pieces, STEAM learning with infrared sensors, programming with easy directional commands, and having fun with the freedom of a handy wireless remote control!

## Week of July 19 (continued)

### Ooey Goey Science Camp

**Time:** 9 am - 12 pm

**Ages:** 6 - 12

**Class Size:** Maximum 10

**Instructor:** Ms. Amanda Shonk

**Price:** \$150

Explore the messy side of science in this fun-filled Ooey Goey Science Camp! Make bottle rockets, instant snow, slime, elephant toothpaste, and much more! Roll up your sleeves, have fun, and conduct some cool science experiments.

### Asian Craft & Cooking Camp

**Class Size:** Maximum 10

**Instructor:** Mrs. Christina Spencer

**Price:** \$150

Campers explore the flavors of Asia along with various art forms in this hands-on camp designed for students age 9-15. Make a dish for sharing using traditional cooking techniques and ingredients. Learn some Mandarin while participating in culturally-rich activities such as drawing, brush painting, calligraphy, lantern making, and kite making.

### Bridges & Building Camp

**Time:** 12:30 pm - 3:30 pm

**Ages:** 7 - 12

**Class Size:** Maximum 10

**Instructor:** Minds in Motion, Inc.

**Price:** \$150

Have you ever been across a bridge and wondered how it works? Get ready to get your mind in motion as you work with and take home your very own Structures Set! Learn all about buildings and bridges and how they literally support our lives! Experiment with different types of bridges and find out how their architectural design provides massive weight support. Discover all the types of forces applied and how engineers manage to reduce their effects. With your kit, you can build up to nine working models such as a house, pyramid, and various types of bridges: beam, arch, truss, cable-stayed, and suspension bridge. You will study theory and learn the history of some amazing structures and historical landmarks. Come bring out the architect side of you as you enter the fascinating world of buildings and bridges and explore the magic of STEM!

## Week of July 26

### Baseball Camp

Join the MMI Varsity baseball staff and some current players for a week of skill-building. Improve your swing, work on your throwing mechanics, learn the basics of playing defense, and have fun! All campers will receive a free gift. Campers should bring a glove, bat, and helmet. Limited equipment will be available. Whether you are a seasoned player or just want to learn more about the sport, this camp is sure to make you want to play ball!

## Week of July 26 (continued)

### Drawing Camp

**Time:** 9 am - 12 pm

**Ages:** 9 - 12

**Class Size:** Maximum 10

**Instructor:** Ms. Gabriella Moustardas

**Price:** \$150

Would you like to improve your drawing skills? Learn to see like an artist, try new techniques, and become more confident in your drawing. We will use a variety of drawing media, both dry and wet.

### Lego Palooza Camp

**Time:** 9 am - 12 pm

**Ages:** 7 - 14

**Class Size:** Maximum 10

**Instructor:** L&K Productions

**Price:** \$150

Creating worlds with Legos can be a lot of fun, but what if you could bring those worlds to life? In the first part of this camp you'll be able to create characters, backdrops, and scenery with Legos to create your story and through the use of small movements and photos, you'll be able to make your very own video. You'll even get to add sounds, music, credits, and your own voices. But that's not all, in the second part of this camp you will create the look of your very own Lego vehicle and team for a Lego Race Car Derby. Of course you can't have a Derby without some racing. The only question is do you have what it takes to be our Derby champ?

### Drawing & Painting Camp

**Time:** 12:30 pm - 3:30 pm

**Ages:** 9 - 12

**Class Size:** Maximum 10

**Instructor:** Ms. Gabriella Moustardas

**Price:** \$150

Do you enjoy art? Spend the afternoons this week working with a variety of art materials and techniques. Learn about and apply elements and principles of design. We will work both realistically and abstractly.

### Wonderland Film Camp

**Time:** 12:30 pm - 3:30 pm

**Ages:** 7 - 14

**Class Size:** Maximum 12

**Instructor:** L&K Productions

**Price:** \$150

Come one, come all. Dive down the rabbit hole into worlds unknown. Have you ever wanted to be as tall as a giant or as tiny as a mouse? Well in this camp you'll get the chance to go through all kinds of different worlds. You will be creating your own character and building props, costume pieces, and anything else you might need to create a one-of-a-kind film with you as the star. You'll get the chance to act, run the camera, do makeup, and lots more to make this wonderland come to life. We will take you through the process of making a film from beginning to end and don't worry we'll make sure you leave right side up and have learned a thing or two before you go back to your normal size.
