

MMI
Preparatory School

2023 Summer Camps

Fun-filled summer camps for young learners in Northeast Pennsylvania!

Fun and learning don't stop just because the school year does.

MMI's outstanding faculty will join Minds in Motion, Inc. and L&K Productions to offer a series of unique summer experiences on MMI Preparatory School's campus.

You and your young learners can choose from a number of STEM, literary, and athletic camps that will keep them curious and learning during the summer break.

MMI's summer camps are open to anyone.

Campers staying all day should bring a bag lunch and will be supervised over the lunch break. Morning and afternoon snacks are provided.

Space is limited. Register today!

Complete the form in this booklet and send it with your payment to:

MMI Preparatory School
Attn: Summer Camp
154 Centre Street
Freeland, PA 18224

You can also visit our website at www.mmiprep.org/camps or call (570) 636-1108 Ext. 136 to register.

Week of July 10, 2023

Crafty Camp

Time: 9 am - 12 pm
Ages: 6-10
Price: \$150

Instructor: Mrs. Lisa Ferry
Class Size: Min. 6 / Max. 12

Get ready to get crafty! Crafty Art Camp is for boys and girls who want to create crafts and one-of-a-kind artwork while having a blast! Campers use a variety of mediums such as watercolor, acrylic paint, pastels, wood, and much more! Campers need to wear clothes and shoes that parents don't mind getting dirty or ruined, because yes, this is a crafty art camp!

Boys Basketball Camp

Time: 9 am - 12 pm
Age: 8-14
Price: \$75

Instructor: Joe Flanagan,
MMI Varsity Boys
Basketball Coach

The camp will be under the direction of MMI Boys Varsity Head Coach Joe Flanagan and his staff. The camp is open to boys entering second through ninth grade. Basketball Camp will focus on fundamentals as well as individual and team competitions. Awards will be given in all divisions.

Welcome to the Lego®-Verse

Time: 9 am - 12 pm

Ages: 7-14

Price: \$150

Instructor: L&K Productions

Class Size: Min. 4 / Max. 14

Are you ready for a weeklong Lego® adventure? Have you always wanted to bring your Legos® to life? Well, in this camp, not only will you create your own universe with Legos®, but then you will make it come to life through stop-motion video. Come join us as we teach you the basics of stop-motion with the help of Legos®, from building to final edits of your films. If you are more of an advanced animator don't worry, we have plenty of skills to teach you as well. You'll be shrunken down to the size of a Lego® yourself for a photo in your very own Lego®-verse. But, that's not all! Get ready for your very first Lego® racing event. You'll create your team and build your vehicle using Legos® and then you'll be ready to burn rubber in this year's Lego® Derby.

Code & Control Robot Dozer

Time: 9 am - 12 pm

Ages: 8-12

Price: \$150

Instructor: Minds in Motion

Class Size: Min. 6 / Max. 12

Build and take home your very own powerful robotic bulldozer and sleek handheld wireless controller! With your own colored manual and the aid of your instructor, you will each assemble your Robo Dozer that consists of over 40 different robotic parts that includes a speaker, circuit board, motors, LED lights, and much more. Learn the advantages and disadvantages of tracked vehicles as well as examples of robots with continuous tracks. Use the controller to command your robot to move around in all directions, play sounds, and light up its cab roof lights!

Asian Cooking Camp

Time: 12:30 pm - 3:30 pm

Ages: 9-14

Price: \$150

Instructor: Mrs. Christina Spencer

Class Size: Min. 6 / Max. 12

Do you want to explore new flavors? Ever wonder what is in your favorite Asian foods? Come spend a week with Mrs. Spencer at the Asian Cooking Camp and explore all of Asia through your taste buds.

Girls Basketball Camp

Time: 12:30 pm - 3:30 pm
Ages: 8-14
Price: \$75

Instructor: Terry Hartz,
MMI Varsity Girls
Basketball Coach

Develop your skills on the court with MMI Girls Varsity Head Coach Terry Hartz. Each camper gets a T-shirt and awards will be given.

Solar Bots

Time: 12:30 pm - 3:30 pm
Ages: 8-12
Price: \$150

Instructor: Minds in Motion
Class Size: Min. 6 / Max. 12

Take home your very own 14-in-1 educational solar robot kit! Every hour more solar energy reaches the Earth than humans use in an entire year! Learn how solar energy works and witness firsthand how this technology can harness the sun's energy source. This kit contains unique components and parts that operate on land and water. Construct 14 different solar powered robots from functional to comical designs, which include a tortoise bot, bug bot, paddle bot, tumbler bot, monster bot, big wheeler bot, car bot, surfer bot, and rowing bot!

Lights, Camera, Action

Time: 12:30 pm - 3:30 pm

Instructor: L&K Productions

Ages: 7-14

Class Size: Min. 4 / Max. 14

Price: \$150

Have you always wondered how they make movies or how they do all of those amazing special effects? This summer join us for a brand new film camp like no other. Our camp will show you how to do special effects like flying, going invisible, blinking from one place to another or using a magical wand. We'll also dive into the world of special effects makeup. Ever wonder how they make those zombies look so realistic or perhaps how they make characters appear so glamorous? Well look no further! We'll go over how to make this happen and even apply your choice of special effects makeup. If all that isn't exciting enough, you'll be able to create your very own background set and see how a green screen works when we place you into your very own creation. Last but not least, we'll dive into what happens on movie/TV sets, let you work the camera, and direct or act depending on your preference.

Week of July 17, 2023

Chemical Creations

Time: 9 am - 12 pm

Ages: 6-11

Price: \$150

Instructor: Minds in Motion

Class Size: Min. 6 / Max. 12

Experience a hands-on world of fun as you conduct a variety of scientific experiments! You will work on and take home your very own Chemistry Lab Kit complete with test tubes, safety goggles, and more! Learn and discover many different scientific concepts in an entertaining and innovative approach. You will be trained to work like a real scientist in the lab. You will also make, and take home, some really cool chemical creations!

Tennis Camp

Time: 9 am - 12 pm

Ages: 11-15

Instructor: Tennis Coach

Price: \$75

Whether you're just starting out or have had some tennis exposure already, this camp will help you build your skills. Camp includes: warm-ups, hitting drills, group and individual game activities, and cool-down periods. Attendees are expected to supply their own tennis racquets and wear appropriate summer outdoor court shoes and attire.

Outer Space & Physics Fun

Time: 12:30 pm - 3:30 pm

Ages: 6-11

Price: \$150

Instructor: Minds in Motion, Inc.

Class Size: Min. 6 / Max. 12

Join an exciting world of space exploration as you build and take home your very own Solar System Kit! You will assemble your own model, learn all about our planetary neighborhood, and watch the planets move around the sun powered by battery or solar power. Check out our real meteorite fragment samples! Take part in other exciting activities involving physics, air pressure, and density. Take home your own cosmic rocket and watch it shoot up fifty feet into the air!

Week of July 24, 2023

Soccer Camp

Time: 9 am - 12 pm

Ages: 8-14

Instructor: Soccer Coach

Price: \$75

Learn soccer fundamentals, work on drills, and master ball handling skills. A free gift will be given to each camper and awards will be given.

6-in-1 Space Fleet Robot

Time: 9 am - 12 pm

Ages: 7-11

Price: \$150

Instructor: Minds in Motion

Class Size: Min. 6 / Max. 12

Join an exciting world of space exploration as you build and take home your very own Solar System Kit! You will assemble your own model, learn all about our planetary neighborhood, and watch the planets move around the sun powered by battery or solar power. Check out our real meteorite fragment samples! Take part in other exciting activities involving physics, air pressure, and density. Take home your own cosmic rocket and watch it shoot up fifty feet into the air!

Science Investigators

Time: 9 am - 12 pm

Ages: 6-9

Price: \$150

Instructor: Mrs. Michele Tyburski

Class Size: Min. 6 / Max. 12

Designed for our younger campers, we will be investigating a different science topic every day. Spend one day out in nature observing creatures that live in a stream, another in a chemistry lab (using only safe household items) to create and observe reactions that change color and fizz, and another day learning all about water and bubbles! Can a person fit inside a bubble? I guess you will have to come to camp and find out!

CyberCrawler Robot

Time: 12:30 pm - 3:30 pm

Ages: 7-11

Price: \$150

Instructor: Minds in Motion

Class Size: Min. 6 / Max. 12

Build and take home your very own CyberCrawler Robot! This smart coding robotics kit entertains and teaches programming skills to inquisitive young future robotic engineers! With the aid of your instructor, you will each assemble your own robot that consists of 76 pieces. Once completed, a simple press-button programming keypad embedded on its cranium will send your CyberCrawler on its way!

Mythbusters

Time: 12:30 pm - 3:30 pm

Ages: 8-12

Price: \$150

Instructor: Mrs. Michele Tyburski

Class Size: Min. 6 / Max. 12

Be prepared to explore the world of chemistry and physics during this camp as we examine questions such as: Does milk really contain plastic? Is it possible to walk on eggs without breaking them? Can you pull a tablecloth out from under a set table without disturbing the dishes? Bring your curiosity and see which myths are confirmed, plausible, or busted!

Boys Baseball Camp

Time: 1 pm - 4 pm

Freeland Little League

Ages: 8-12 **Price:** \$75

Instructors: Charlie Karchner and
Cory Rogers, Co-Head
Varsity Baseball Coaches

Join the MMI Varsity baseball staff for a week of skill-building. Improve your swing, get advice on your throw, learn the basics, and have fun! All campers will receive a free gift. Campers should bring a glove, bat, and helmet if they have one. Limited equipment will be available. Whether you are a seasoned player or just want to learn more about the sport, this camp is sure to make you want to play ball!
