

MMI
Preparatory School

2025 Summer Camps

FUN-FILLED SUMMER CAMPS

for young learners in **Northeast Pennsylvania!**

Fun and learning don't stop just because the school year does.

MMI's outstanding faculty will join Minds in Motion, Inc. and L&K Productions to offer a series of unique summer experiences on MMI Preparatory School's campus.

You and your young learners can choose from a number of STEM, art, and athletic camps that will keep them curious and learning during the summer break.

MMI's summer camps are open to anyone.

Campers staying all day should bring a bag lunch and will be supervised over the lunch break.

Morning and afternoon snacks are provided.

Space is limited. Register today!

Complete the form in this booklet, and send it with your payment to:

MMI Preparatory School
Attn: Dr. Lisa Ferry, Summer Camp
154 Centre Street
Freeland, PA 18224

You can also visit our website at www.mmiprep.org/camps or call (570) 636-1108 to register.

Week of July 7, 2025

CyberCrawler Robot Camp

Time: 9 am - 12 pm
Ages: 7-11

Instructor: Minds in Motion
Price: \$175

Build and take home your very own CyberCrawler Robot! This smart coding robotics kit entertains and teaches programming skills to inquisitive young future robotic engineers! With the aid of your instructor, you will each assemble your own robot that consists of 76 pieces. Once completed, a simple press-button programming keypad, embedded on its cranium, will send your CyberCrawler on its way! You can design obstacles and maze courses with your classmates and see how far you can go. With a maximum storage capacity of 64 tasks, your CyberCrawler Robot will be a terrific starter tool to learn the joy of coding. This very cool robot's LEDs illuminate as it executes whatever you command. Join this fascinating and educational robotic experience!

Boys Basketball Camp

Time: 9 am - 12 pm
Ages: 8-14

Instructor: Coach Joe Flanagan
Price: \$75

This camp is under the direction of MMI Varsity Basketball Coach Joe Flanagan and his staff, who led the MMI Preppers in winning the 2023-2024 District II Class A Championship and advanced to the Elite Eight in the State Tournament. The camp is open to boys aged 8-14. Basketball camp will focus on fundamentals as well as individual and team competitions. Awards will be given in all divisions.

Spanish Cooking & Art Craft Camp

Time: 9 am - 12 pm

Ages: 6-12

Instructor: Senorita Syra Dewar

Price: \$175

Designed for kids ages 6 to 12, this camp is a hands-on adventure in creativity and culture. Children will learn to make delicious Spanish and Latin American treats like empanadas, tres leches, and tortilla de patata, exploring new flavors and cooking skills in a safe, engaging environment. They'll also get crafty with a piñata-making workshop, where they'll design, build, and decorate their colorful creations to take home. With music, storytelling, and plenty of hands-on fun, this camp is the perfect way for kids to develop new skills while discovering the rich traditions of Hispanic culture!

LEGO® Storm! Camp

Time: 9 am - 12 pm

Ages: 7-14

Instructor: L&K Productions

Price: \$175

Are you ready for a storm like no other? Our specialists are saying the flood of LEGO® bricks will begin arriving on Monday and won't stop until Friday. In this year's LEGO® camp, you will battle the storm of LEGO® bricks to create a stop-motion animated film using only LEGOs®. Come join us as we teach you the basics of stop-motion animation and a variety of ways to build with LEGOs®. You'll even get to take home one of your very own creations! If you are an advanced animator/builder, don't worry — we have plenty of skills to teach you, too! You'll also experience what it's like to be on a green screen and be shrunken down to LEGO® size next to your creation in your very own photo that you can take home with you. But that's not all! We'll be assembling your own race car to compete in a LEGO® racing event, and for the first time, we have added a brand new extended LEGO® track for the longest LEGO® race we've ever done.

CSI: Crime Scene Investigations Camp

Time: 12:30 pm - 3:30 pm
Ages: 7-11

Instructor: Minds in Motion
Price: \$175

Come join our Minds In Motion Crime Team in this fun and interesting program! We will provide you with all the tools you need to become your very own crime scene investigator. Learn all about forensics, search for evidence, gather clues, and bring home your very own detective kit! Working in groups, you will conduct many science experiments in our crime lab to solve the mysteries at hand. You will learn all about fingerprinting and how to classify them and bring home your very own fingerprint classification sheet! You will also perform chemical analyses and observations working with powders, liquids, and much more! Be amazed at how much science plays a part in solving a crime. Come ready with your thinking caps, and be prepared to use all the skills necessary to solve the crime of the century and help save the Minds In Motion Laboratory! We need you!

Ready, Set, Film: A Film Camp

Time: 12:30 pm - 3:30 pm
Ages: 7-14

Instructor: L&K Productions
Price: \$175

Are you READY to be the star of your own film? Have you always wanted to learn how to do all of those amazing things that you see in movies, like green screening, special effects, makeup, and backgrounds? Then get set to join us for a film camp like no other! Our camp will show you how to do special effects like flying, going invisible, using magic, or even making it snow. You'll also be able to create your own background, set, and props and see how a green screen works. We'll place you into your very own creation for a photo that you'll be able to take home with you! We'll also go through what happens on TV/movie sets and let you act, direct, edit, do voiceovers, and work the camera. Once your film is complete, you'll be able to have a copy of it so you can watch it whenever you want at home! At the end of the week, we'll even let you create, direct, and film by yourself!

Bonjour Paris! Camp

Time: 12:30 pm - 3:30 pm
Ages: 6-11

Instructor: Ms. Natasha Keyser
Price: \$175

Pack your bags for a magical adventure to Paris — without leaving town! During this camp, children will explore the French language and culture through fun, hands-on activities. Each day, campers will learn basic French phrases, discover famous landmarks, create art like Monet, design fashion accessories, and taste French treats. From royal day to Versailles to a Parisian cafe experience, this camp will spark curiosity, creativity, and a love for language. C'est magnifique!

Girls Basketball Camp

Time: 1 - 4 pm
Ages: 8-14

Instructor: Coach Frank Romero
Price: \$75

Develop your skills on the court under the direction of Coach Frank Romero. Each camper gets a t-shirt and awards will be given.

Week of July 14, 2025

Tennis Camp

Time: 9 am - 12 pm

Instructor: Coach Ed Telatovich

Ages: 11-15

Price: \$75

Whether you are just starting out or have some tennis exposure already, this camp will help you build your skills. Join the MMI Varsity Tennis coaches for warm-ups, hitting drills, group and individual game activities, and cool-down periods. Attendees are expected to supply their own tennis racquet and wear appropriate summer outdoor court shoes and attire.

Crafty Camp

Time: 9 am - 12 pm

Instructor: Ms. Lani Drobnock

Ages: 7-10

Price: \$175

Get ready to get crafty! Crafty Camp is for kids who are interested in creating crafts while having a blast! Campers will create a variety of crafts they can take home. Campers need to wear clothes and shoes that parents don't mind getting dirty, painted, or ruined, because, yes, this is a crafty camp!

Girls Softball Camp

Time: 9 am - 12 pm

Instructor: MMI Coaching Staff

Ages: 8-14

Price: \$75

Join the MMI Varsity Softball staff to improve your swing, get advice on your throw, learn the basics, and have fun! All campers will receive a gift. Campers should bring a glove, bat, and helmet, if they have one. Limited equipment will be available. Whether you are a seasoned player or want to learn more about the sport, this camp is sure to make you want to play ball!

RE/CO Robot Camp

Time: 9 am - 12 pm

Instructor: Minds in Motion

Ages: 8-12

Price: \$175

Build and take home your very own RE/CO Robot in this mechanical off-roading adventure! Your robot comes equipped with an infrared sensor and artificial intelligence. Its ability to be controlled wirelessly, and its tank-like tracks, make it perfect for rugged conditions! With the wireless remote control added, the RE/CO Robot can access new play modes like storytelling, singing, dancing, and even programming. Students can enjoy guiding it over all sorts of terrain or allow the friendly robot to lead the way, using its infrared sensor to find a clear path in patrol mode. For parents who look to get the most out of their children's time, RE/CO Robot is a great all-in-one package! It combines assembling with 106 pieces, STEAM learning with infrared sensors, programming with easy directional commands, and having fun with the freedom of a handy wireless remote control!

Magical Creatures Adventure Camp

Time: 9 am - 12 pm

Instructor: Ms. Natasha Keyser

Ages: 6-11

Price: \$175

Step into a world of enchantment where young explorers will discover the legendary beings of myth and magic. Each day, campers will immerse themselves in the realms of dragons, unicorns, centaurs, krakens, and more through exciting hands-on activities, adventures, and creative storytelling. Activities include painting a dragon egg, making "dragon fire" snacks, designing monster puppets, and searching for unicorn tracks!

Eco Explorers Camp

Time: 9 am - 12 pm

Instructor: Ms. Michele Tyburski

Ages: 5-10

Price: \$175

Eco Explorers Summer Camp is an exciting, hands-on adventure where students learn about the environment and sustainability through fun activities, outdoor exploration, and creative projects. Campers will discover the wonders of nature, engage in eco-friendly crafts, participate in environmental challenges, and learn how to protect our planet through interactive activities on conservation, renewable energy, and wildlife preservation. With daily adventures like nature hikes, gardening, and water conservation experiments, Eco Explorers inspires young minds to become the next generation of environmental stewards while fostering a love for the great outdoors.

Future Engineers Camp

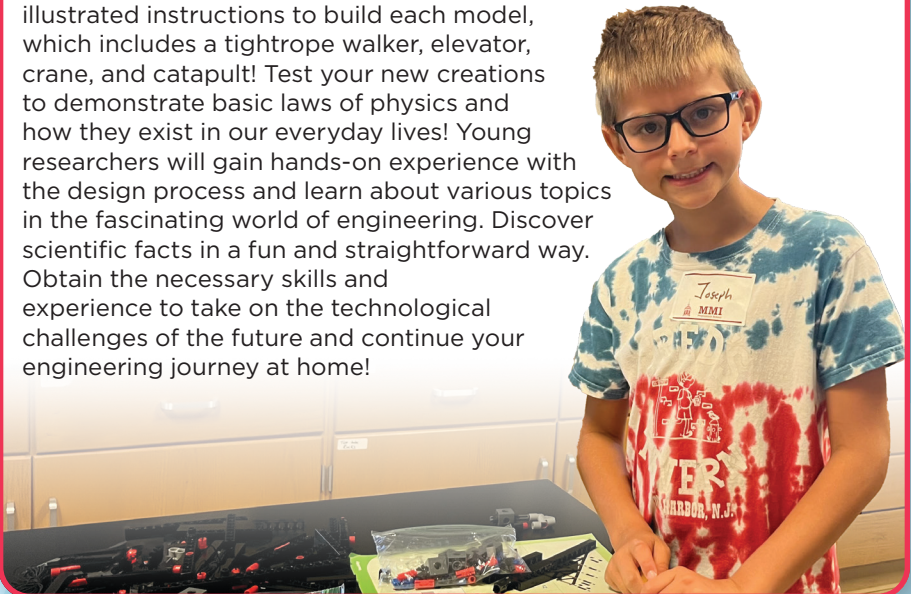

Time: 12:30 pm - 3:30 pm

Instructor: Minds in Motion

Ages: 8-12

Price: \$175

If you like to create and build things, this program is for you! Enjoy an adventure of physics, gravity, and action and take home your very own engineering kit! Your kit can create 20 different models and 22 action-packed science experiments. Students will follow easy step-by-step illustrated instructions to build each model, which includes a tightrope walker, elevator, crane, and catapult! Test your new creations to demonstrate basic laws of physics and how they exist in our everyday lives! Young researchers will gain hands-on experience with the design process and learn about various topics in the fascinating world of engineering. Discover scientific facts in a fun and straightforward way. Obtain the necessary skills and experience to take on the technological challenges of the future and continue your engineering journey at home!

Super Hero Camp

Time: 12:30 pm - 3:30 pm

Instructor: Ms. Natasha Keyser

Ages: 6-11

Price: \$175

Unleash your child's inner hero! Campers will discover their unique superpowers, train to become powerful heroes, and take on challenges with their newfound abilities. Each day focuses on a different aspect of heroism, strength, intelligence, environmental, awareness, and teamwork.

Little Doctors Mini Medical Camp

Time: 12:30 pm - 3:30 pm

Instructor: Ms. Michele Tyburski

Ages: 7-12

Price: \$195

Little Doctors Mini Medical Camp is an exciting, hands-on summer camp where students explore the world of health and medicine through interactive activities, experiments, and role-playing as young doctors. Campers will learn about first aid basics, healthy habits, and medical careers while participating in fun challenges like "scrubbing in" for pretend surgeries, using hand-made stethoscopes to check vital signs, and creating working prosthetics. With engaging activities, science experiments, and team-based medical missions, this camp will spark scientific curiosity and inspire the next generation of doctors, nurses, and health heroes!

Baseball Camp

Time: 1 - 4 pm

Instructors: Coaches Charlie Karchner

Ages: 8-12

and Cory Rogers

Price: \$75

Join the MMI Varsity Baseball staff to improve your swing, get advice on your throw, learn the basics, and have fun! All campers will receive a gift. Campers should bring a glove, bat, and helmet, if they have one. Limited equipment will be available. Whether you are a seasoned player or just want to learn more about the sport, this camp is sure to make you want to play ball!

Week of July 21, 2025

Chemical Creations Camp

Time: 9 am - 12 pm

Instructor: Minds in Motion

Ages: 6-10

Price: \$175

Experience a hands-on world of fun as you conduct a variety of scientific experiments! You will work on and take home your very own Chemistry Lab Kit, enabling you to complete many activities! Learn and discover different scientific concepts in an entertaining and innovative approach. You will be trained to work like a real scientist in the lab, while making cool chemical creations you'll get to take home! Learn all about energy and molecules, and create a crazy bouncy glob from glue and some scary green slime! Make your very own UV bracelet and watch it react to the sun. You will also get to witness some amazing scientific demonstrations from your instructor. Watch snow being created and feel how cold it is! Experience a powerful magnet, magic sand, and many other exciting experiments in this fascinating and educational program!

Soccer Camp

Time: 9 am - 12 pm

Instructor: MMI Coaching Staff

Ages: 8-14

Price: \$75

Want to learn soccer fundamentals, work on drills, and master ball-handling skills? Campers get a gift and awards will be given!

Research Rockstar Academy: Power Tools for Success

Time: 9 am - 12 pm

Instructor: Dr. Tammy Chrin

Ages: 9-12th Grades

Price: \$175

Transform yourself from data novice to digital dynamo! In this dynamic camp, you'll master the essential tech tools and research skills that top colleges and employers demand. Level up your academic game with skills that will set you apart in high school, college, and beyond!

Learn to:

- **Navigate Research Like a Pro** — Discover insider tricks for finding reliable sources and organizing information that will make your next paper or project a breeze
- **Become an Excel Wizard** — Turn confusing spreadsheets into your secret weapon for analyzing data and creating eye-catching charts
- **Create PowerPoint Presentations That Actually Keep People Awake** — Master the art of visual storytelling that will make your audience lean in, not check out
- **Design Professional Graphs and Visuals** — Learn how to make complex information crystal clear
- **Work Smarter, Not Harder** — Learn time-saving shortcuts and techniques the pros use

Stop struggling with formatting and fighting with formulas! By the end of camp, you'll confidently tackle any research project and transform your ideas into polished, professional presentations that would impress a CEO.

Perfect for students who want to:

- Crush their upcoming research papers and projects
- Stand out in group presentations
- Build an impressive digital skill set for college applications
- Develop real-world skills that employers value
- Work efficiently and effectively

Don't just learn the basics — master the tools that will make your academic life easier and set you up for future success. Join us to discover how the right tech skills can transform good work into exceptional work!

Guardians of the Enchanted Forest Camp

Time: 9 am - 12 pm

Instructor: Ms. Natasha Keyser

Ages: 6-11

Price: \$175

This is an immersive adventure where campers step into a magical world filled with fairies, elves, gnomes, wolves, griffons, talking trees, and will-o'-the-wisps. Each day brings new stories, creative crafts, exciting outdoor games, and hands-on STEM challenges that encourage exploration, teamwork, and imagination.

Life Skills Academy: Adventure Edition

Time: 9 am - 12 pm

Instructor: Ms. Lani Drobnock

Ages: 10-14

Price: \$175

Life Skills Academy: Adventure Edition will offer a mix of things that every human should know but aren't always taught in school. Campers will learn skills like planning and making a meal, budgeting, writing a check, simple sewing, and more, all while having to use teamwork and developing decision-making skills.

AI Smartcore 4 Robot Camp

Time: 12:30 pm - 3:30 pm

Instructor: Minds in Motion

Ages: 6-10

Price: \$175

Dive into the exciting universe of robotics by building and taking home your very own AI SmartCore 4 Robot! This remarkable kit features four separate modular smart vehicles that are powered by cutting-edge AI SmartCore technology! It allows the All-Terrain Cube to navigate directions with balance and predictability; enables the Super Snake to entertain the most curious of four and two-legged friends; empowers the Turbo Trike to cruise at high speeds while maintaining control; and transforms the Titan Tank into a roving explorer. Whether navigating tricky terrain, zooming at top speeds, or exploring new territories, every day promises hands-on fun and learning! With 42 easy-to-snap-together parts, a remote control, and a rechargeable LiPO battery, it's perfect for new robot builders eager to master robotic engineering! Ready to build the future? Join us, and let your imagination take flight!

Asian Cooking Camp

Time: 12:30 pm - 3:30 pm

Instructor: Mrs. Christina Spencer

Ages: 9-14

Price: \$175

Ready to spice up your summer? Explore the flavors of Asia in our hands-on cooking camp! From sizzling stir-fries to delicate dumplings, you'll learn to cook authentic dishes from China, Japan, Korea, and beyond. No experience is needed—just bring your appetite and creativity! Spaces are limited—sign up today and taste the adventure!

Volleyball Camp

Time: 1-4 pm

Instructor: MMI Coaching Staff

Ages: 8-14

Price: \$75

For boys and girls entering 5th-9th grades, this camp will work on fundamentals, serving, rotations, and various other aspects of the game. For more information, please contact Coach Flanagan at jflanagan@mmiprep.org

Check the camps you want to register for, and complete the form on the opposite page. Then detach these two pages, and return them to MMI with your payment by July 3. You can also register online at www.mmiprep.org/camps or by calling (570) 636-1108.

In the event camps cannot run, registrants will receive a refund or credit for future camps.
